

THE MILLENNIUM BRICK PROJECT

Adorning the walkway through the Rose Garden Rotunda between the two historic sites in Civic Center Park are many commemorative bricks, honoring family, friends, businesses, favorite aphorisms, special projects and more. Millennium Bricks raise funds in support of the Parsonage Museum and the H. Lee House Cultural Center. Moreover, the project contributes to the beauty and distinction of the park, fosters a sense of community and pride of place, and even constitutes a history lesson about pioneer and modern life.

Brick orders can be made any time simply by filling in the order form below and mailing it with your check or money order. There are two sizes: regular 8-inch brick and a larger 8 x 8-inch brick. We'll be glad to assist you with your inscription. Once the order is placed, please allow four weeks for creation of the brick(s). We'll call you to discuss placement in the rotunda.
